

Parents | students | educators | community allies

*Instead of supporting our children and families, some state legislators are introducing bills this winter to **take over** dozens of **public schools** in the city of Milwaukee. These bills could **affect our entire school district** and could deny tens of thousands of children access to a quality public education, including bilingual education. It is time to raise up our public schools and show our state that #AllKidsMatter!*

Join us and be part of a movement
to get the best for our kids

Save Public Schools! Community Strategy Session

Saturday, February 7 from 9am-12:30pm
at MATC Downtown Campus in "T" Auditorium
(enter T Building at corner of 6th and Highland)
FREE PARKING in lot on 8th and Highland

Join us for updates on school takeover bills, and strategize on how to stop the takeovers.

Participants can attend breakout sessions on: vouchers for students with special needs, school safety and restorative practices, community schools, how to mobilize parents, how to organize students, using social media for outreach, bilingual education, and more.

Childcare and lunch provided (you must RSVP to reserve)
RSVP at mtea.org or call Lori Gall at (414) 861-8423.

Sponsored by AFT Local 212, MTEA, Parents for Public Schools,
Schools and Communities United, and Wisconsin Jobs Now.
